

Seeing Rakiura Pre AGM 2006

The Trust is once again organising an opportunity for beneficial owners of the Trust and their Family to return to the Island for a visit and cultural experience prior to the AGM being held on the island on Sunday 24th September 2006.

Over the last two years we have run meetings in Bluff and Rakiura with the most successful of the two meetings being on the island in terms of both numbers and overall participation. This year also marks a special celebration in the life of the trust which we wish to observe therefore we are returning to the island.

Full details will be provided with the official notice of meeting later in the year but we would like to give you the opportunity to start thinking and planning to come. We will be organising a series of events and activities for owners who wish to spend some time on the island prior to the AGM.

We hope that many of you will take this opportunity to extend your visit to learn more about Rakiura and experience the beauty of this wonderful place. It will also give owners and the Trustees the opportunity to get to know each other better while gaining a better understanding of the significance and responsibility of our link to our land. In addition we will have some quality speakers who will talk about current issues and opportunities for Rakiura Maori.

You can be assured this will be a wonderful experience with great food, great people, and a great atmosphere through your connection back to our land. Everyone who has been on previous trips have praised the opportunity and enjoyed every aspect of their visit and vowed to return. We hope many will return and many more will come for their first visit, the first of many more visits we hope.

There will be opportunities to walk around the island, hear about the island, take boat trips, fishing opportunities, sightseeing and much more. A full programme of opportunities will be provided with the official AGM mailing. However if you would like to be personally kept informed of progress and options then fill in the expression of interest form and return it to the office and we will keep you directly up to date.
