I understand the Trustees will set the Agenda based on ensuring the meeting can be completed in the time available and that all formal legal requirements of the meeting such as Statement of financial position, Trustees Report, Election for nomination of Trustees will be handled ahead of general business items. Where there are multiple requests of a similar nature they will be combined into a single item. The meeting will be advised of all proposed Agenda items that time did not allow to be dealt with at the AGM. These items will be carried forward to future meetings. For items to be considered this form must be completed in full and signed by a registered beneficial owner of the Rakiura Maori Lands Trust and received by the Trust on the date indicated below. The short explanation of your Agenda Item must be completed on the reverse side of the form so members are able to gain an understanding of what you are proposing, the effects it will have if adopted, and any financial-implication that would result from this. Failure to provide this information will result in the item not being considered for the Agenda.
